*S.E.E.T.M is a non-profit organization founded by Stephanie Mills with the assistance of Dr. Phyllis Anderson-Wright, Johnnie Johnson and Karen Feaster.*

*The S.E.E.T.M goal is to build leadership skills among teen parents while inspiring them to create the life of their dreams for themselves and their children.*

*S.E.E.T.M volunteers have worked earnestly to bring a conference to Newark with thoughts of growth, love, and guidance to inspire not only teen parents, but the communities in which they live.*

*It is our hope to nationally expand today’s conference to inspire hope and guidance to teen parents across the country.*
